Who pays for Hospice ?

Hospice services are reimbursed when the following Hospice criteria are met:

- Medicare part A (as per Medicare guidelines)
- Medicaid (as specified by the state)

Our area of Service
DALLAS, TEXAS

Our Mission

"At Loving Arms Hospice, our mission is to offer compassionate, dignified, end of life care to those with terminal illness, addressing physical, emotional and spiritual needs. We provide unwavering support to patients and families, fostering moments of connection and peace. Our goal is to ensure every individual's final days are lived with dignity and grace".

What is Hospice?

Hospice care is a specialized care that provides physical comfort, emotional, social, and spiritual support for people nearing the end of life.

Who qualifies for Hospice care?

Hospice care is typically available to individuals with a terminal illness or a life expectancy of six months or less, as certified by a physician. Hospice care is a Medicare benefit that you are entitled to, made by your very own contributions to Social Security. You will not have any out-of-pocket costs or deductibles for you or your family.

What makes Loving Arms Hospice unique?

We focus on the individuals, rather than the disease. By providing compassionate support and comfort, we help patients and their families live their final days with dignity and peace.

ITS YOUR CHOICE

You can actually decide when to allow natural death to be your personal decision. Until then, we will support you and your family.

ESSENTIAL NEEDS

Our Hospice will provide any medical equipment that is necessary in aiding your care plan for your relief.

Testimonial

"By providing invaluable support during my wife's final days, you eased her journey and provided solace for us both. I am forever thankful for your dedication and empathy."
